WHICH STEIGERWALDT VALUE IS MOST IMPORTANT TO YOU:

Flexibility. This is the most important value to me because Steigerwaldt understands that life happens, and when it does, they are flexible in allowing that person to take care of the situation in a supportive way.

WHAT HAS BEEN YOUR BIGGEST ACCOMPLISHMENT AT STEIGERWALDT:

My biggest accomplishment at Steigerwaldt has been what I have learned. I am amazed at a company that encourages its employees to explore other areas of the company, and if you find a niche that fits, it encourages you to job-shadow and perhaps join that division. Because of that support I am still learning every day!

3 WORDS TO DESCRIBE YOU:

- Honest
- Punctual
- Fun-loving
